

# Florida Local Government Information Systems Association

## Use of FLGISA Name or Logo Policy

---

FLGISA will not allow its name or logo to be used by any for-profit organization.

FLGISA may allow the name and/or logo to be used by another non-profit association/organization as an endorsement of a specific program, if pre-approved by the Board of Directors. An example of this type of endorsement would be the Certified Public Technology Leadership (CPTL) program in which FLGISA has partnered with the John Scott Dailey Florida Institute of Government.

FLGISA may allow the logo to be used by a speaker giving a presentation at an FLGISA event. However, the presenter will be notified that the logo may not be used in any other manner or for any other purpose.

**Approved by the FLGISA Board of Directors on June 22, 2011.**
